FREE Sports Physicals for High School Student Athletes

Piedmont Walton Hospital is happy to partner with **Piedmont QuickCare at Walgreens** and **Piedmont Physicians** to provide free sports physicals for high school student athletes in Walton County again this year. Each student athlete must be a current high school student or a rising 9th-12th grade student for the 2024-2025 school year and attend a public or private high school in Walton County. Unfortunately, due to limited availability, we will not be able to accommodate middle school and elementary school student athletes this year.

Please use the link to sign up [**HERE**](#).

Please bring your **GHSA form** with you to your appointment and have the HISTORY portion of the form filled out **BEFORE** your appointment time to ensure appointment times are kept for the day of the event.

Please contact Piedmont Walton Hospital's Community Relations Director, Heather Allison, at [**Heather.Allison@piedmont.org**](mailto:Heather.Allison@piedmont.org) if you have any questions.
